

Health Pass by Clear Instructions

As part of our commitment to health and safety, ASA will require that everyone attending meetings at ASAHQ to confirm vaccination details or a negative Covid test taken within 72 hours of arrival.

We've partnered with CLEAR to utilize Health Pass to make this process faster, safer, and more secure. CLEAR Health Pass is a free feature in the CLEAR app that provides an easy way to complete health screenings. After a quick one-time enrollment, you'll follow instructions to comply with health requirements.

Simply download the free CLEAR app and complete these steps **prior your arrival at ASAHQ** to set up your Health Pass for office access:

Step 1: Download and enroll in CLEAR

1. Use the QR code included below or use the following link: <https://clear.app.link/ASAHQEVENTS>

 - a. **New to CLEAR?** Enter your email address, phone number, and have your gov't issued photo ID ready to complete enrollment
 - b. **Already a CLEAR member?** Use the email address associated with your membership and snap a quick selfie to verify your identity
